Astronomy camp - Bongongo		Thurs/Friday	11/12 November

Dear Parents

Seniors Camp

Please find enclosed camp details for years 4/5. Please return paperwork to school by Monday 18th October. If your child has any dietary requirements please let us know so that we can inform the organisers.

Leadlighting workshop

Lynette Voss will be running this workshop for students for 1day/week for 4 weeks. Thanks Lynette.

Variety Club

Approximately 80 people will be arriving at the school from 9.30am for morning tea and to interact with students. The P&C is supplying scones/sandwiches/tea/coffee. Over the years the Variety Club has generously donated to the school sports/swimming/creative arts equipment.

Telopea School band will also be visiting on this day to play for students and Variety Club visitors.

Please come along and join in the fun. All community members welcome.
Please RSVP by 5th November.

Astronomy/Waterbug Survey/Marsupial night stalk camp.

On Thursday 11th November we will travel to Bongongo for an overnight camp. More details to come next newsletter.

School Website

The school website is regularly updated with events and photographs. Take a look at what the students have done over the year.

Bookclub

Attached is latest bookclub. Please return all orders and money to the school by 22nd October.

Tennis Lessons/Swimming

In response to parent wishes tennis lessons at Bongongo have been cancelled in preference to investigating the possibility of swimming lessons.

Option 1 - If space is available we can join the Yass Public Schools in their swim scheme programme.

This involves - 45minute lessons – Yass pool
= 10 lessons (1 lesson per day) 29th November-10th December.

I understand other options are being investigated and I will discuss all options with parents before a decision is made.

Thanks to all drivers for helping out with the Life Education day at Rye Park.

Golf

We have some terrific little golfers. At school today there were some great shots down the playground and over the tank! Unfortunately we watched with amazement as the crows took off with quite a few of our balls!

Can anyone help with transport on Monday to Golf – ‘one parent driver needed’.

Long weekend Fete Fundraiser

I wish to thank all people who made this fundraiser possible. It was definitely a team effort and our customers looked pretty happy.

Regards

Mark
