Dear Parents

Thank you for a most warm welcome back.

The rumour that I didn't go to Cairns but actually had plastic surgery and a recuperation period is false. You can ask my Mum and Dad who were with me for the whole trip!

Alternate Workplace Agreement

Please note the school is closed Monday 9th August.

Supporting Your Child at Home with Literacy

This is an interactive videoconference designed for parents and community members to understand various ways of supporting their children at home with literacy activities.

Date Thursday 19th August

5.30pm-6.30pm at school

Content will include the stages of development in reading and writing, strategies to support students in each stage, the importance of understanding the roles of a reader, visual literacy and critical literacy.

Please advise urgently by Tuesday if you would like to join this video conference as we need to book in.

Community Vegetable Gardens

Anyone from the community is welcome to use the hothouse to propagate seeds and plants. Help would be greatly appreciated in building bird-proof tunnels over the orchard and vegetable gardens. Please get together and enjoy a visit to the community garden.

Tumut Soccer Gala Day August 27 – Riverglade Park Tumut

Last year the students had a terrific time at this day. Sally has once again with the help of Tumut High School Students organised another carnival. Students play in similar age group teams made up from 7 small schools – Brungle, Cabramurra, Jugiong, Khancoban, Rosewood Talbingo and Wee Jasper.

Students will have to supply their own morning tea and drink bottles for the day. We will endeavour to supply water all day.

Depart School 8.45am. Parents to transport students.

The games start 10am and the day will finish at 2pm.

Lunch will be a sausage sizzle.

They will need their sports gear for the day.

We will be using only soft soccer balls for all the games.

Parents are also welcome to attend on the day. This is a fun carnival designed to allow students from small schools to participate in large team sports.

Wetlands – Research Project

Senior students are currently undertaking an online 3 week research project about 'Wetlands' flora and fauna.

Each week 24 clues are given and students have to research and identify 4 animals/plants using the clues. It is a very challenging activity however their research skills are greatly benefiting.
