Welcome to Week 6

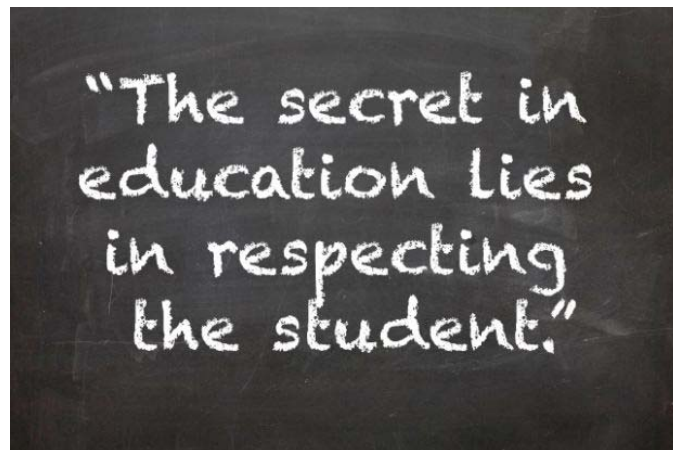

Welcome to week 6 of the final term for 2015. As I will finish up at the end of week 7 I would like to thank everyone for their support and help during my stay at Wee Jasper. I have had an amazing experience and have learnt so much in my time here. It has been wonderful meeting everyone and working with your children.

Last week we had a wonderful afternoon at Cooradigbee Homestead and a big thank you to Helen Cathles for inviting us. Further on in the newsletter there are photos of the children and short recounts they wrote about the afternoon.

This week our SOLE question was 'Why do stars twinkle'. The students researched this question and confidently collaborated and shared their information.

In Japanese the students have been learning how to say and write numbers and speak some words. Mrs Wilkinson is a wonderful source of information and the students are engaged in their learning. Over this week and next students will have a chance to research about the samurai.

Regards
Karen Williams
Relieving Principal
