Science Experiment

Years 3-6 have been conducting a science experiment to find out what conditions plants need to grow. Ask the students for more information!

The Wee Jasper Opera House!

Last Thursday the netting was put up over the fruit trees, led by Tim and Troy, with the help of students and parents. It has been named The Wee Jasper Opera house!

Students enjoyed a picnic and Easter egg hunt on Thursday afternoon in the "Opera House".

Thank you to everyone for your hard work to protect our trees. We look forward to collecting produce later in the year.

Fun was had by all!
